What is OUSA?

The Ontario Undergraduate Student Alliance (OUSA) is a coalition of student associations from across Ontario. They have come together to protect the interests of Ontario's undergraduate students by providing research and ideas to governments on how to improve the affordability, accessibility, accountability and quality of post-secondary education in the province. These elected student representatives work together to set OUSA's policies and direction. The organization approaches its goal of advancing the needs of undergraduate students through five means: direct lobbying, public advocacy, issue awareness campaigns, research & policy solutions and building partnerships.
