

UNIVERSITY STUDENT'S COUNCIL ACCESSIBILITY COMMITTEE APPLICATION

The goal of the Accessibility Committee is to improve access to USC, Western campus, and the London community for students, staff and faculty members by providing venues for individuals with varying disabilities to overcome these challenges, and coordinating advocacy strategies to make positive changes.

Positions Being Hired For:

Events Director

This position will work to come up with ideas to plan and execute Accessibility events held on campus or around the London community. The focus of the position will be creating events, however the Events Director may also help with marketing the event.

Marketing Director

This position will work to raise awareness and promote Accessibility events held on campus or around the London community. The focus of the position will be promotion, however the Marketing Director may also help with planning and executing events.
