The Clubs Policy Review Committee (CPRC) serves as the primary body for reviewing, drafting and making recommendations on club policies. The committee is responsible for maintaining accurate and updated Clubs Constitutions and all official Clubs Policy documents for the USC. The goal of the CPRC is to ensure that the policies in place to govern the Clubs System allow clubs to operate efficiently and effectively, while supporting leadership development among students.

There are four (4) positions currently available:
- Two (2) club executives at large
- Two (2) students of the university at large

The estimated time commitment for all positions is 1-2 hours/week.
