FAKIRANI/Seconder

Motion 7

Recognizing Neurodivergent Students and Their Advocacy Priorities

Whereas the USC does not have specific advocacy goals with respect to neurodivergent students.

Whereas neurodivergent students face unique and important concerns that should be addressed.

Whereas inclusivity is a priority of the organization in the USC Charter and a core component of our organizational strategic planning process.

Be it resolved that the USC recognize that neurodiversity is a natural and valuable form of human diversity.

Be it resolved that the USC include neurodivergent students in its mandate to oppose forms of discrimination, harassment, and abuse.

Be it resolved that the USC conduct consultations to develop advocacy priorities for neurodivergent students potentially through a new peer program, expanding the accessibility advocacy mandate, a new policy paper, non-academic supports, or through other means.

Be it resolved that upon completing consultations the USC should report back to the council and implement its suggestions in its priorities and programming within a reasonable timeframe.

CHEN/Chasmar

Motion 8

Motion to Amend Bylaw #1

Whereas the realities of the USC's budget creation process are not accurately reflected in By-Law #1;

Whereas the *Operating and Capital Budget Approval Policy and Procedure* is severely outdated and incompatible with the USC's current budget process;

Whereas a replacement policy for the *Operating and Capital Budget Approval Policy and Procedure* will be drafted and brought to the Governance and Finance Standing Committee no later than for the April 2022 Council cycle;

Whereas the proposed amendments will have no impact, resource or otherwise, on how the USC Executive and Senior Management Team carries out the budget creation or approval process;

Be it resolved that Council approve the proposed amendments to By-Law #1.

FAKIRANI/Secunder

Motion 9

Motion Regarding Accountability on Sexual and Gender-based Violence Prevention and Response Efforts

Whereas students are troubled by delays with Western University's implementation of recommendations produced by the President's Anti-Racism Working Group as well as sustainability-related pledges over the years;

Whereas continued and meaningful action to address the structural causes of sexual and gender-based violence on campus is necessary even after the completion of the Gender-Based and Sexual Violence Action Committee's work;

Be it resolved that the USC declare a sexual and gender-based violence crisis is occurring on campus, acknowledge the structural nature of this violence, and commit to rectifying the factors identified by the Gender-Based and Sexual Violence Action Committee and the USC which perpetuate an unsafe campus environment;

Be it further resolved that the USC advocate that the University, through the President and Vice-Chancellor, publicly acknowledge the ongoing sexual and gender-based violence crisis occurring across Western's campuses and amongst its community members;

Be it further resolved that the USC endorse the interim recommendations produced by the Gender-Based and Sexual Violence Action Committee;

Be it further resolved that the USC advocate that the University produce and publicly disseminate a strategy and timeline for the implementation of the interim recommendations of the Gender-Based and Sexual Violence Action Committee no later than the end of this academic term;

Be it further resolved that the USC advocate that the University produce and publicly disseminate a strategy and timeline for the implementation of all recommendations produced by the Gender-Based and Sexual Violence Action Committee no later than September 2022;

Be it further resolved that the USC advocate that the Western University's Board of Governors, in consultation with the USC and students, designate a senior-level administrator as accountable for the University's progress on sexual and gender-based violence prevention and response efforts indefinitely;

Be it further resolved that the USC advocate that the provincial government require all post-secondary institutions to participate in a sexual and gender-based violence campus climate survey administered every 3 years;

University Students' Council of the University of Western Ontario

Be it further resolved that the USC require the incoming Executive team to discuss and track progress on the above 'be it resolved' clauses at the 2nd meeting of Council, 2022-23.
