PREAMBLE

WHAT IS POLICY?

A policy is a set of guidelines that outline, at a high level, how an organization should act or behave in certain situations. Our policies are what let staff inside the USC and students outside the USC know how to act and what to expect from us as an organization. For example, want to know how the Council works in the summer? There's a policy for that! Want to know why the

Council agenda looks the way it does? There's a policy for that! Health and safety, procurement, finances...you name it, we have a policy for it.

Policies are separate from procedures, which are usually more of the "how" than the "what." For example, take elections: we have a policy that explains what is considered a violation, and a procedure that outlines how the Elections Governance Committee decides whether something is considered a violation of the policy. Similarly, we have a Discrimination, Harassment, and Violence Prevention Policy, with a procedure that goes with it.

To make matters more confusing there are special policies called by-laws, which the USC has many. These are even higher level "what" statements that combine a fair amount of why to help generally guide our actions.

The policy pyramid starts with procedures as the foundation, the bulk of our policy work should be procedures, followed by policy and finally by-laws. You should have the fewest number of pages of by-laws compared to your policies and procedures. This is still a work in progress for the USC, but each year we are getting closer to having a proper distribution of policies.

WHO IS THIS FOR?

The USC's Policy Manual includes policies that apply to the USC as a corporation, and to the Council itself. If you're looking for information about Clubs policies, you'll find them here. If you're interested in the financial transparency of the organization, those policies are in the board section of the manual. Basically, if you want to understand how the USC operates internally, you should be able to find the policy that governs it in this manual. The titles of the policies in the table of contents are linked to the relevant policy, so you should be able to click and get directly to the policy you're looking for.

If you're looking for the USC's advocacy positions or recommendations, you'll want to read the policy papers on our website. Policy papers are different from internal policies, and focus on the external work the USC does.

- 18.6. A valid petition requesting that a referendum be held on an issue or proposal which is likely to have direct legal or financial implications on the USC must be approved by Council before a referendum may be initiated. 18.7.5. The USC will enforce the result of a student-initiated referendum to establish a Third-Party Fee, subject to the following:

1. A referendum result may be invalidated by the Committee if there is sufficient impropriety to cast doubt upon the result.
2. The Board of Governors may refuse to allow the USC to collect the fee.
3. If a fee is imposed, the Vice-President Governance and Finance (Secretary-Treasurer) must be supplied with financial information describing the use of the fee at least once per year. The Vice-President Governance and Finance (Secretary-Treasurer) shall be responsible for reviewing the way in which the student fee is being used and evaluating compliance with the terms of the referendum.

4. A disqualified group may not refer to themselves as an “official registered interest party” or as a “registered interest party.”
5. The disqualification of a registered interest party does not automatically mean that a referendum fails. The Committee must make a separate determination as to whether the referendum result is valid. In doing so, the Committee must consider the potential impact of the infractions on the result.
6. The disqualification of a registered interest party campaigning on behalf of the *status quo* option (the option which would not result in change) never means that a referendum carries.

23. USC-SPONSORED SIDE

23.1. Where the USC has an interest in the outcome of a referendum or plebiscite, or where it is felt that a side of an issue is not being adequately represented by a registered interest party, the Council has the option of campaigning or appointing someone to campaign on behalf of a particular side.

5.3.1. If the contributor supplies goods and services, the value shall be determined at fair market value, as per its definition in section 6.a.ii.

1. **Example 1:**

Your order for campaign signs would normally cost \$300, but instead you receive them for \$0 from a relative. You must then record and report this as a contribution of \$300 worth of goods and services towards your Spending Limit.

2. **Example 2:**

Your order for campaign scarves would normally cost \$100 but the vendor agrees to sell them to you for \$50. You must record and report a contribution of \$50 in goods and services and record and report an expense of \$50 in goods and services. Both contributions and expenses are weighted equally when calculating your Spending Limit.

5.4. Special Rules for Expenses and Contributes:

5.4.1. Where an item is purchased for use during the campaign period, but not entirely consumed, the cost shall be declared for the entire item, regardless of the amount of the item that remains unconsumed.

5.4.2. Candidates will be required to declare expenses or contributions for the production of campaign material and media, including but not limited to videos, mobile apps, or graphics, but only the costs of making said product available to the public.

1. **Example 1:**

A campaign volunteer has tools needed to make campaign sign frames for a particular candidate. The resources for the frames would be an expense, however the time of the volunteer needed to produce the campaign sign frames would not be an expense.

5.4.3. If a professional, even if the professional is a campaign volunteer, who would normally charge for a service provides a service to a candidate for free, the value of the service is considered to be a contribution.

6. ELIGIBLE REIMBURSEMENT

6.1. The Manager of Election Finance shall be responsible for maintaining a record of each candidate's eligible reimbursement throughout the campaign period.

6.2. A candidate's eligible reimbursement shall be calculated as the sum of eligible expenses. Candidates will not be reimbursed for goods, privileges, or services received through contribution.

6.2.1. A disqualified candidate will not be reimbursed for their expenses.

- 6.3. Candidates will only be reimbursed for items which are directly related to their campaign and for which they provide original receipts. Any item deemed not to be an appropriate campaign expense may be excluded from reimbursement by the Committee or the USC's Managing Director, Financial and Corporate Resources.
- 6.4. The Committee may adjust a candidate's eligible reimbursement number at their own discretion if they deem a candidate to have not competed in the spirit and purpose of the election using the following criteria:
 - 6.4.1. The candidate is not competing with the intention of being elected to office; and/or
 - 6.4.2. The candidate is running a campaign for the sole purpose of discrediting another candidate.
- 6.5. The Senate and Board of Governors candidates will not be reimbursed by the USC for their campaign expenses.
- 6.6. The Manager of Election Finance shall keep a record of all eligible reimbursement calculations on file for thirty (30) days following the closing of balloting.

7. TRACKING EXPENSES AND CONTRIBUTIONS

- 7.1. At the start of the campaign period, the CRO shall make expenses and contributions tracking sheets available to all candidates on the uselections.ca website. Candidates are required to use the tracking sheets to submit a list of their expenses and contributions.
 - 7.1.1. Candidates who fail to use designated tracking sheets shall not be reimbursed for the candidate's campaign expenditures.
- 7.2. All candidates shall submit to the CRO original receipts of all expenses and contributions.
 - 7.2.1. Failure to submit receipts by the deadline will result in an automatic reduction in the candidate's eligible reimbursement by five (5) per cent per business day that the submission is late.
- 7.3. The CRO shall immediately forward any received receipts or tracking sheets to the Manager of Election Finance and shall forward any and all received receipts and tracking sheets after 4 p.m. on the last day of balloting.
 - 7.3.1. The CRO may authorize the Manager of Election Finance to pick up any receipts and/or sheets from the USC Front Desk.
- 7.4. The CRO may request that candidates submit original receipts and tracking sheets prior to 4 p.m. on the last day of balloting.
- 7.5. The Manager of Election Finance and any Committee member chosen to assist them shall receive each candidate's tracking sheet to ensure that candidates have not exceeded their

spending limits, have original receipts for all expenses, have only listed expenses that can be considered appropriate, and have adhered to any other relevant provisions in **Bylaw 2**.

- 7.6. The Manager of Election Finance and any Committee member chosen to assist them shall review each candidate's tracking sheet to ensure that candidates have not exceeded their spending limit, have listed appropriate values for their contributions, and have only listed contributions that can be considered appropriate, and have adhered to any other relevant provisions of **Bylaw 2**.
- 7.7. Where the Manager of Election Finance notices expenses listed as contributions or vice versa, they shall move the item to the appropriate list. Where proper listing of expenses and contributions would result in overspending by a candidate, the Manager of Election Finance shall inform the CRO.
- 7.8. The Manager of Election Finance shall inform the CRO of any irregularities in expenses or contributions lists, as per Section 6 of this document.
- 7.9. In addition to Section 5, the Manager of Election Finance shall produce a list of expenses and/or contributions flagged as inappropriate for the Committee to approve. Any expenses deemed inappropriate by the Committee shall not be reimbursed.
- 7.10. The Manager of Election Finance has the authority to approve any and all expenses and contributions lists in which no irregularities have been noted (i.e., the Committee does not need to approve the reimbursement of every candidate, only the list of inappropriate expenses that are not to be reimbursed).
- 7.11. The Manager of Election Finance shall keep all expenses and contributions records on file for thirty (30) days after the close of balloting in case a candidate wishes to contest their reimbursement.

8. ISSUING REIMBURSEMENT

- 8.1. The Manager of Election Finance shall provide a list of candidates and the amount they are to be reimbursed along with a completed cheque requisition form to be signed by the Vice-President Governance and Finance no later than fourteen (14) days, including Reading Week and other holidays, after the close of balloting.

8.1.1. Example 1

1. The Manager of Election Finance shall fill out a cheque requisition form with the list attached in place of the amount payable, have the Vice-President Governance and Finance sign it, and submit it to the USC's finance office for processing.

8.2. At the same time as section 8.1, the CRO shall inform candidates of the amount they are scheduled to be reimbursed, including a list of expenses the Committee did not deem to be appropriate as per section 7.10 of this document.

8.3. Candidates shall be reimbursed for the amount equal to their eligible reimbursement, less any outstanding loans.

8.3.1. Example 1

1. Eligible Expenses - Outstanding Loans = Eligible Reimbursement
2. A Divisional candidate who has \$30 in outstanding loans and spends \$90 in eligible expenses would be reimbursed: $(\$90) - \$30 = \$60$.

8.4. Reimbursement cheques shall be made available for pickup at the USC Front Desk no later than twenty-one (21) days after the close of balloting.

8.5. The CRO shall notify all candidates that are eligible for reimbursement that their cheques are available by email on the day they become available at the Front Desk.

8.6. Any cheques that have not been picked up from the Front Desk and have stale-dated shall not be reissued.

Delegates: Speaker of Council

This document contains the standing resolutions of Council currently in effect. Standing resolutions are motions passed through Council not for the purposes of amending policy (i.e., a motion to amend elections procedures) or issuing a directive (i.e. tasking an Executive to return with certain information) but have a legislative effect on the USC's operations. These standing resolutions may be referred to as Council's "common law."

Each resolution is listed by its unique number and contains the date the resolution was passed. Each resolution will also list the expiry date of the resolution should such a date exist. For all other standing resolutions, the expiry date shall be marked as "in perpetuity."

Resolutions will remain in this list until they expire, at which time they shall be removed unless Council moves the resolution again. Resolutions marked as "in perpetuity" will remain in effect until such time as they are appealed by Council or become redundant (i.e. a resolution concerned with external leadership positions is redundant if there are no external leadership positions available).

Note on standing resolution numbers: Each standing resolution that comes through Council has a unique number. The key for these motions is as follows:

Example	C11/12.3.2.2
C11	Council: 2011/ 2012 Year
12	Meeting Number: The 12 th meeting for the 2011/ 2012 year

Be it further resolved that the Vice-President Governance and Finance (Secretary Treasurer) make recommendations, in the form of a revised fee schedule, to the Governance and Finance Standing Committee of Council as to which fees should not be increased by inflation and which fees should be increased greater than inflation with appropriate rationale.

Advertising Materials Policy

Authority: Board of Directors	Date Ratified: November 29, 2019
	Next Review Date: November 29, 2022
Previous Amendments: November 10, 2009	

PREAMBLE:

The USC considers freedom of expression to be an essential component of a University environment, but also recognizes that it is necessary to place certain limits on such freedoms in order to maintain a University environment that is safe, inclusive, and free from discrimination and harassment, as well as to ensure compliance with University policies and government regulations. This Policy will define what constitutes Advertising Materials and what is and is not acceptable content.

1. SCOPE

- 1.1. "Advertising Materials" includes all materials that contain text, images, audio, and/or video, and are intended for public viewing, listening, or distribution.
 - 1.1.1. Advertising Materials does not include digital content posted to a group's or individual's website, unless such content is being actively displayed as part of an event.
 - 1.1.2. Advertising Materials does not include journalistic content within a publication for which an author has been credited, or programming content on CHRW Radio.
- 1.2. The USC Advertising Materials Policy guidelines are to be used in determining the acceptability of all Advertising Materials that:
 - 1.2.1. Are distributed or displayed anywhere within common areas or USC space in the University Community Centre (UCC), including Concrete Beach;
 - 1.2.2. Are included in a USC sanctioned publication as an advertisement or classified insert;
 - 1.2.3. Are aired on CHRW radio as a commercial;
 - 1.2.4. Are created or endorsed by a student organization directly affiliated with the USC and/or covered under the USC's insurance policy;
 - 1.2.5. Are created by a USC associate or coordinator;

1.2.6. Bear the USC logo; and/or,

1.2.7. Are printed or stamped for distribution at USC Promotions.

1.3. The USC Advertising Materials Policy does not regulate the acceptability of behaviors or activities. Behaviors and activities are regulated by the USC Community Standards Policy, and the USC Discrimination Harassment and Violence Prevention Policy.

2. UNACCEPTABLE CONTENT

2.1. An Advertising Material may be deemed unacceptable if it:

2.1.1. Misrepresents or fails to adequately represent the individual(s) or organization(s) responsible for its distribution;

2.1.2. Entices or willfully promotes hatred towards identifiable groups;

2.1.3. Demeans others on the basis of their race, ancestry, place of origin, colour, ethnic origin, religion, disability, citizenship, creed, sex, sexual orientation, handicap, age, marital status, family status, the receipt of public assistance or record of offence, or a conviction for which a pardon has been granted;

2.1.4. May be reasonably expected to have an adverse effect on the health, safety, or rights of other persons or groups;

2.1.5. Promotes an illegal activity;

2.1.6. Promotes the consumption of alcohol, communicates the pricing of alcohol, targets underage drinkers, or in any other way violates the University's Campus Alcohol Policy or the Alcohol and Gaming Commission of Ontario's (AGCO's) Liquor Advertising Guidelines:

1. The promotion of alcohol consumption includes the use of phrases such as "happy hour", "two for one", or "cheap drinks", but does not include references to the presence of alcohol, such as "wet/dry" or "wine and cheese".
2. In accordance with AGCO's Liquor Advertising Guidelines, certain exceptions are recognized for advertising that is within, directly outside, or made-by a licensed establishment.

2.1.7. Contains an image that is flagrantly shocking, inappropriate, or upsetting, or contains an image that is sexually explicit;

1. Excepting circumstances where such an image bears artistic merit, and is delivered in a context where viewers of the image could reasonably deem its display as being appropriate.

- 2.1.8. Is sexually suggestive to an extreme degree, in such a way as to objectify an individual's body as tools for the promotion of an organization, product, event, or service;
 1. Excepting circumstances where such images are appropriate or necessary within their context, (such as women wearing lingerie in a lingerie advertisement, or sexual suggestiveness in a condom advertisement).
- 2.1.9. Is being produced and/or distributed by a USC-affiliated individual or organization, and prominently contains a statement that could reasonably be considered a falsified statement made to damage a person's or group's reputation;
 1. Approval of an Advertising Material does not signal and endorsement of its accuracy; however, an Advertising Material may be rejected if it can be easily identified as exposing the USC to legal liability.
- 2.1.10. Contains text written in a language other than English;
 1. Except circumstances where an accurate translation of the material's content has been submitted.
- 2.1.11. Is a club Advertising Material containing the USC logo which has not received approval to contain the USC logo in accordance with Clubs Policy; General Clubs Procedures; or,
- 2.1.12. May be reasonably expected to have an adverse effect on the reputation or the proper functioning of the USC.

3. ACCEPTABLE CONTENT

- 3.1. The perceived truthfulness of a statement made in commercial Advertising Materials by organizations unaffiliated with the USC shall not affect their approval. The USC does not undertake to fact-check information within commercial Advertising Materials, and the acceptance of such materials does not indicate an endorsement of the content's accuracy.
- 3.2. Acceptable content for Advertising Materials includes:
 - 3.2.1. Information announcing the time, date and location of any public event that is open to members of the University;
 - 3.2.2. Information describing the platform of an official candidate running in a federal, provincial or municipal election, UWO Board of Governors and Senate elections, USC Presidential and Vice-Presidential elections and USC Councillor elections;

 - 3.2.4. Any statement or opinions of a religious, political, or social nature, which are

3.2.5. respectfully expressed, and are not otherwise unacceptable;

3.2.6. Such statements are protected by freedom of expression in an academic environment in which the USC supports the exchange of views and ideas. That such statement might be viewed as disagreeable, misleading, or upsetting is not sufficient grounds for their rejection in and of itself.

4. APPLICATION

4.1. The Advertising Materials Policy shall be applied in accordance with the Advertising Oversight Procedures.

14.3. All Judgments, even if rendered orally, shall be accompanied by written reasons which are to be made available to the Parties and public within a reasonable amount of time after the oral hearing, but not more than five (5) days following the oral hearing.

14.4. If Judgment is reserved, the Panel shall make its decision available within a reasonable amount of time.

14.4.1. Written reasoned Judgments shall be provided to the Parties and the public within five (5) days following the oral hearing.

15.2. If time is of the essence, Appeals Board Members shall communicate a Judgment to the Parties as soon as they reach a decision after the hearing and should deliberate in private until they have come to such decision.

16. ABSENCE

 - 4.1.1. The number of attendees from the public may be limited by the room's capacity.
 - 4.1.2. The chairperson of the Board of Directors retains the right to require attendees from the public to leave the meeting, should their conduct become disorderly, or otherwise negatively affect the ability of the Board of Directors to function.
 - 4.1.3. The Board of Directors may extend standing invitations to specific employees, encouraging their presence and participation in Board of Directors meetings as resource members.
- 4.2. Regularly scheduled meetings shall be publicly posted at the beginning of the fiscal year of the Corporation.
 - 4.2.1. Additional meetings may be held at the call of the chair, provided that all members are given twenty-four (24) hours notice.

- 4.3. Agenda items must be submitted to the Recording-Secretary four weeks prior to a regularly scheduled Board of Directors meeting.

- 4.3.2. Any item not going to a Sub-Committee of the board for review must be submitted to the agenda committee for inclusion on the agenda.
- 4.3.3. Only voting members may move motions for approval. Management may submit items for direction from the Board of Directors following the process outlined in this document. The Chief Operating Officer is the principal policy advisor to the Board of Directors and must therefore sign off on all management recommendations before they are placed on the Board of Directors agenda.
- 4.3.4. Any individual may submit a presentation or matter for discussion or information, however, any such items must be approved by the Agenda Committee before placement on the agenda.

 - 4.5.1. The agenda must include a brief description for each presentation
 - 4.5.2. Should a meeting be cancelled or rescheduled, a simple notice of cancellation shall be posted in place of the agenda.
 - 4.5.3. Supporting documentation, known as an 'agenda report', must be provided along with items brought before the Board of Directors that requires discussion or a decision, particularly for matters of a legal, financial, or human resources nature. The deadline for reports shall be the same as the agenda deadline so that the Agenda Committee may fully understand items coming forward and so that members have sufficient time to consider the matter.
 1. If two-thirds of Board of Directors members approve, a matter can be considered without an agenda report, or can be considered if a report comes in past the deadline. This practice should be strongly discouraged and only reserved for unique circumstances.
 - 4.5.4. Supplemental documentation (such as presentations and agenda reports) will normally be posted online with the agenda if available. However, such

documentation may be withheld if it is incomplete or misleading on its own. This documentation will be posted with the meeting minutes, where it can be understood in context.

4.6. In the event that a Board of Directors meeting is scheduled for an irregular time the required periods of notice and submission remain the same.

4.6.1. In the event of an emergency meeting of the Board of Directors that does not allow for the period of notice to be observed, the meeting shall proceed if the Agenda is approved by the Board of Directors. In such an event all relevant materials will be posted and distributed at the earliest possible time.

4.7. New business items for approval are only permitted if they directly relate to an item already on the agenda. Any other items brought up in new business circumvent the transparency of the Board of Directors' activities and limit the ability of the voting members to research and prepare. Though sometimes necessary, new business items are strongly discouraged.

5. RECORD OF PROCEEDINGS

5.1. All public meetings shall be recorded on video and made available to the public upon request to the USC.

5.2. Public minutes shall be recorded in writing in a succinct format. Only a brief summary of the discussion and any motions shall be recorded in writing unless a member asks for a detailed comment to be recorded. Advice given by resource people such as the General Manager, Senior Managers, Managers, and Legal Counsel shall be well documented.

5.3. In-camera minutes shall be recorded in a detailed format. Most items considered in-camera are of a legal, financial, contractual or human resources nature and should demonstrate that members and management have upheld their fiduciary duty to the corporation.

5.4. In an effort to enhance transparency of Board of Directors decision-making, every effort shall be made to ensure minutes are ready for ratification within ten (10) business days of the meeting using the following procedure:

5.4.1. All voting members of the Board of Directors shall have the opportunity to review the written minutes of the meeting.

5.4.2. Each reader shall have two (2) business days to forward comments to the Recording-Secretary. If comments are not received, the Recording-Secretary will assume there are no changes required.

6. MEETINGS *IN CAMERA*

- 6.1. Matters of a confidential nature may only be disclosed and discussed in an *in camera* Board of Directors meeting.
- 6.2. *In camera* meetings are regularly scheduled to begin all public Board of Directors meetings.
- 6.3. Agenda items shall be collected and prepared on the same schedule as the public Board of Directors meeting, and the agenda and related-items shall be distributed to voting-members at the same time as the public meeting agenda.
 - 6.3.1. An *in camera* meeting agenda shall not be posted online in advance of a meeting.
 - 6.3.2. In the event of an emergency *in camera* meeting of the Board of Directors that does not allow for the period of notice to be observed, the meeting shall proceed if the Agenda is approved by the Recording-Secretary of the Board of Directors. In such an event all relevant materials will be posted and distributed at the earliest possible time.
- 6.4. Following an *in camera* meeting, an agenda shall be posted online that shows the number of confidential items, and the nature of their confidentiality (using the criteria set out below in section 4.05). This agenda shall include items brought up in new business.
- 6.5. A discussion or decision may only be held in confidence if it fits at least one of the following criteria:
 - 6.5.1. information regarding an ongoing negotiation, where disclosure could negatively affect the USC's position in the negotiation, or prejudice future negotiations of a similar nature;
 - 6.5.2. information about litigation or potential litigation involving the USC;
 - 6.5.3. advice protected by solicitor-client privilege;
 - 6.5.4. personal information about an identifiable individual, unless such information has been voluntarily disclosed to the public by the person(s) affected;
 - 6.5.5. information from the proceedings of a Confidential Committee;
 - 6.5.6. information regarding a sensitive human resource matter involving an identifiable individual; or,
 - 6.5.7. any other information which, if disclosed, could compromise or adversely affect the Corporation.

1. Although this condition of confidentiality is open to broad interpretation, it should be used only sparingly, under unusual circumstances where the previously listed criteria for confidentiality do not apply.
- 6.6. If a discussion or decision hinges on a confidential consideration, then the entirety of the discussion/decision should be held *in camera*, even if other aspects of the discussion/decision are not confidential.
 - 6.7. If there is any doubt as to the confidentiality of information being considered for discussion in a public Board of Directors meeting, it should be discussed in the following *in camera* meeting.
 - 6.7.1. New Business items are permitted in confidential Board of Directors meetings if they arise as a result of matters discussed in the preceding public Board of Directors meeting. Other New Business items are discouraged, as they limit the ability of the voting members to prepare.
 - 6.7.2. Even if there are no *in Camera* meeting agenda items submitted in advance of a Board of Directors meeting, an *in camera* meeting may still follow the public meeting to discuss matters arising from the meeting.
 - 6.7.3. If an item whose confidentiality was uncertain is revealed not to be confidential, it is the responsibility of the chairperson to cease discussion, and table the matter for a future public Board of Directors meeting.
 - 6.8. Minutes from an *in camera* Board of Directors meetings shall continue to remain entirely confidential, even if the reasons for their confidentiality cease to be relevant (e.g. a discussion about an ongoing negotiation that has since concluded).
 - 6.9. The Board of Directors may permit specific individuals to attend a confidential meeting, or part of a confidential meeting, provided that those individuals have signed a confidentiality agreement with the USC.

7.2.2. identifying the status of meeting minutes under review and determining whether or not they are ready to be moved for approval;

7.2.3. determining whether an item should be placed in the Public Meeting agenda, or the *in camera* agenda;

7.2.4. ensuring that an Agenda Report accompanies matters for approval, identifying if additional supporting documentation is necessary for agenda items, and determining what supporting documentation is appropriate to post online with the agenda;

1. failure to adhere to this policy may result in disciplinary action being taken against the offending individual.

5.5. Investigations Procedure

5.5.1. Ultimately, the purpose of an investigation is to determine what happened. In order to accomplish this, the investigation must allow all affected parties to express their view and provide evidence to the investigation. As such, the Corporation has developed this standard investigation process:

1. **Step One – Review the Discrimination, Harassment and Violence Prevention Policy**

- a. As an initial step, the Senior Manager, People and Development (or other individual in accordance with section 2.00 of this Procedure) shall review the complaint and the Policy to determine whether the alleged complaint and associated behaviour meets the definition of workplace discrimination or harassment.

2. Step Two – Meet with the parties to explain the investigation process

- a. At this stage, the Senior Manager, People and Development (or other individual in accordance with section 2. of this Procedure) will inform the complainant and respondent about the following:
 - i. expected timeline;
 - ii. overall process (interview, review of documentary and other evidence);
 - iii. roles and responsibilities of anyone involved in the investigation;
 - iv. confidentiality of the investigation (who will receive the investigation report);
 - v. possible interim measures that may be taken to limit the potential for discrimination and harassment, if deemed necessary.

3. Step Three - Determine the Appropriate Investigator

- a. It shall be the role of the Senior Manager, People and Development (or other individual in accordance with section 2.00 of this Procedure) to determine the appropriate investigator. An investigation must be fair and impartial. The investigator could be someone from within the organization, including the administrator of this Policy. However, in more complex or sensitive cases, an external investigator may be appropriate.

4. Step Four – Conduct of Investigation:

- a. The investigator will meet and speak with the Complainant and obtain any relevant information regarding the complaint. The Complainant may be asked and required to provide documentary evidence including emails, handwritten notes, or other records that would be helpful to the investigation.
- b. After meeting with the Complainant and providing the Respondent with a copy of the complaint, the investigator will interview and meet with the Respondent. The Respondent may be asked and required to provide documentary evidence including emails, handwritten notes, or other records that would be helpful to the investigation.
- c. Following that meeting, the investigator will, if he or she deems appropriate, meet with other witnesses.
- d. Information about the complaint or incident will be kept confidential and will not be disclosed except to the extent necessary to protect workers, to investigate the complaint or incident, to take corrective action or as otherwise required by law. The Complainant, Respondent and witnesses

will be instructed not to discuss the complaint, incident, or investigation with others unless necessary to obtain advice from professional advisors about their rights.

- e. Investigations will be completed as soon as possible, and within 90 calendar days unless there are extenuating circumstances which warrant a longer investigation.
- f. At the conclusion of the investigation, the investigator will outline his/her findings in a written report. The report will normally contain the following elements:
 - i. A description of the allegations;
 - ii. A description of the investigation process followed;
 - iii. A description of the background information and evidence that supports or refutes each allegation;
 - iv. An analysis of the evidence in respect of each allegation; and
 - v. A statement as to whether or not the behaviour described in each allegation constitutes a breach of the Policy.
- g. The Senior Manager, People and Development or another member of the Corporation will meet separately with both the Complainant and the Respondent, confidentially to explain the investigation's findings. The summary of findings and corrective action will be provided to the Complainant within 10 calendar days of the investigation being concluded.

5. Step Five – Corrective Action:

- a. If it is found that the Respondent has contravened this Policy, he or she may be subject to one or more of the following forms of discipline, depending on the severity of the violation:
 - i. A written reprimand;
 - ii. A suspension with or without pay
 - iii. A transfer
 - iv. A demotion; or
 - v. Dismissal.
- b. If the respondent is a member of the Executive, any disciplinary action shall be taken in accordance with the Executive Accountabilities and Discipline Policy. Any dismissal of any Executive Member shall occur only in accordance with the provisions of By-Law #1
- c. In most cases of harassment, the harasser will also be required to participate in anti-harassment training education.
- d. Where a founded complaint involves a member of Council as Respondent, the results of the investigation in addition to being provided to the President

and council, may also be forwarded to the appropriate department in the member's home faculty.

- e. All records related to the complaint, incident and/or investigation will be kept for the time period prescribed by applicable legislation.
- f. If the investigation does not find evidence to support the complaint, there will be no documentation concerning the complaint placed in the Respondent's file. When the investigation reveals a violation of the Policy, the incident and the discipline that is imposed on the Respondent will be recorded in the Respondent's file.
- g. If a person, in good faith, files a complaint that is not supported by evidence gathered during an investigation, that complaint will be dismissed, and no record of it will be put in the Respondent's file. As long as the complaint was made in good faith, there will be no penalty to the person who complained, and no record in her or his file.
- h. In the rare event that the complaint was made in bad faith – in other words, the person making it had absolutely no basis and deliberately and maliciously filed the complaint, the Complainant will be disciplined and a record of the incident will be put in her or his file. Penalties for someone who complains in bad faith will be the same as for a case of discrimination or harassment (see Corrective Action) and will depend on the seriousness of the situation.

5.6. No Retaliation

- 5.6.1. Retaliation is considered a serious disciplinary breach. Anyone who retaliates in any way against a person who has complained of harassment or discrimination or given evidence in an investigation, will be penalized accordingly. The possible penalties are the same as those assessed against those found to have contravened the Discrimination Harassment and Violence Prevention Policy.
- 5.6.2. The USC is committed to providing and maintaining a safe and healthy workplace environment free from discrimination, harassment, and violence as outlined in the Discrimination Harassment and Violence Prevention Policy. There are resources available to you should you require them. Please contact the USC People and Development Department to be connected with our Employee Assistance Program or other resources that will best suit your needs.

Health and Safety Workplace Inspection Policy

Authority: Board of Directors	Date Ratified: November 19, 2013
	Next Review Date: November, 2022

PURPOSE

To ensure that the University Students' Council complies with legislation health and safety requirements and to promote communication and develop procedures that improve workplace health and safety. Hazards exist in all workplaces. Regular planned inspections are an important way to help identify hazards. Once hazards have been identified they can be eliminated or minimized. In addition, workplace inspections are used to check that hazard controls are adequate and working, identify possible solutions to problems, and allow for follow up to ensure that problems have been corrected. Workplace Inspections ensure a more effective audit of a department's Internal Responsibility System and its Occupational Health and Safety Management Programs. Written Workplace Inspection Reports serve as a valuable confirmation of due diligence, in that the University Students' Council is taking every precaution reasonable under the circumstances to protect employees and students. These Reports may be audited by the MOL (Ministry of Labour).

Housekeeping and Organizing Policy

Authority: Board of Directors	Date Ratified: February 16, 2018
	Next Review Date: February, 2023
Previous Amendments: October 30, 2012	

PURPOSE:

The purpose of this document is to promote effective housekeeping practices within the physical work environment of the USC in order to comply with accident and fire prevention practices.

1. SCOPE

1.1. This policy applies to all USC employees, volunteers and visitors.

2. DEFINITION

2.1. "Housekeeping" is not just cleanliness. It includes keeping work areas neat and orderly; maintaining halls and floors free of slip and trip hazards; and removing of waste materials (e.g., paper, cardboard) and other fire hazards from work areas. It also requires paying attention to important details such as the layout of the whole workplace, aisle marking, the adequacy of storage facilities, and maintenance. Effective housekeeping is an ongoing operation. Periodic "panic" cleanups are costly and ineffective in reducing accidents.

3. RESPONSIBILITIES

3.1. All USC Employees must

- 3.1.1. Keep their work areas neat, tidy and free from trip hazards;
- 3.1.2. Ensure that garbage and debris is disposed of;
- 3.1.3. Remove any unused materials; and,
- 3.1.4. Notify the Building Services department if a housekeeping issue is beyond your manageable control to ensure prompt clean up or disposal.

4. PROCEDURES

4.1. **Dust and Dirt Removal**

- 4.1.1. In some jobs, enclosures and exhaust ventilation systems may fail to collect dust, dirt and chips adequately. Vacuum cleaners are suitable for removing light dust and dirt. Please contact Building Services in order to have the Western Facilities Management Division clean and assess your area for any failure in the exhaust ventilation system.
- 4.1.2. Dampening (wetting) floors or using sweeping compounds before sweeping reduces the amount of airborne dust. The dust and grime that collect in places like shelves,

pipng, conduits, light fixtures, reflectors, windows, cupboards and lockers may require manual cleaning.

- 4.1.3. Compressed air should not be used for removing dust, dirt or chips from equipment or work surfaces.

4.2. **Employee Facilities**

- 4.2.1. Employee facilities need to be adequate, clean and well maintained. Personal belongings shall be stored out of sight. Washroom facilities need to have a good supply of soap, towels plus disinfectants and should be cleaned on a regular basis. Please contact Building Services in the event that a washroom is in need of cleaning or supplies need to be replenished so that Caretaking Services can be contacted.
- 4.2.2. Eating or drinking in the work area should be avoided where possible and the staff lunch room should be used. If eating or drinking in the work area, it should be cleaned properly each day. When using the staff lunch room, clean your eating area, any dishes used and ensure that food is not stored in the fridge for extended periods of time as the fridge is intended for short-term food storage purposes.

4.3. **Surfaces**

- 4.3.1. Floors: Poor floor conditions are a leading cause of accidents so cleaning up spilled oil and other liquids at once is important. Allowing chips, shavings and dust to accumulate can also cause accidents. Trapping chips, shavings and dust before they reach the floor or cleaning them up regularly can prevent their accumulation. Areas that cannot be cleaned continuously, such as entrance ways, should have anti-slip flooring. Keeping floors in good order also means replacing any worn, ripped, or damaged flooring that poses a tripping hazard. If you have any concerns with flooring conditions in your work area, please contact Building Services so that the Western Facilities Management division can be notified.

4.4. **Maintain Light Fixtures**

- 4.4.1. Dirty lighting fixtures reduce essential light levels. Clean light fixtures can improve lighting efficiency significantly. Please contact Building Services if there are dirty lighting fixtures, burnt out light bulbs or missing lighting covers in your work area so that the Physical Plant Department can be contacted.

4.5. **Aisles and Stairways**

- 4.5.1. Aisles should be wide enough to accommodate people and vehicles comfortably and safely. Aisle space allows for the movement of people, products and materials. Warning signs and mirrors can improve sight-lines in blind corners. Arranging aisles

properly encourages people to use them so that they do not take shortcuts through hazardous areas.

- 4.5.2. Keeping aisles and stairways clear is important. They should not be used for temporary "overflow" or "bottleneck" storage. Stairways and aisles also require adequate lighting.

4.6. **Spill Control**

- 4.6.1. The best way to control spills is to stop them before they happen. Regularly cleaning and maintaining machines and equipment is one way. Another is to use drip pans and guards where possible spills might occur. When spills do occur, it is important to clean them up immediately. Absorbent materials are useful for wiping up greasy, oily or other liquid spills. Used absorbents must be disposed of properly and safely.

4.7. **Tools and Equipment**

- 4.7.1. Tool housekeeping is very important, whether in the tool room, on the rack, or on the bench. Tools require suitable fixtures with marked locations to provide orderly arrangement, both in the tool room and near the work bench. Returning them promptly after use reduces the chance of them being misplaced or lost. Workers should regularly inspect, clean and repair all tools and take any damaged or worn tools out of service.

4.8. **Waste Disposal**

- 4.8.1. The regular collection, grading and sorting of waste contribute to good housekeeping practices. It also makes it possible to separate materials that can be recycled from those going to waste disposal facilities.
- 4.8.2. Allowing material to build up on the floor wastes time and energy since additional time is required for cleaning it up. Placing scrap containers near where the waste is produced encourages orderly waste disposal and makes collection easier. All waste receptacles should be clearly labelled (e.g., recyclable glass, plastic, etc.). If your garbage is overflowing, please contact Building Services so that Caretaking Services can be dispatched to collect the waste.

4.9. **Storage**

- 4.9.1. Good organization of stored materials is essential for overcoming material storage problems whether on a temporary or permanent basis. There will also be fewer strain injuries if the amount of handling is reduced, especially if less manual materials handling is required. The location of the stockpiles should not interfere with work but they should still be readily available when required. Stored materials

should allow at least one meter (or about three feet) of clear space under sprinkler heads.

4.9.2. Stacking cartons and drums on a firm foundation and cross tying them, where necessary, reduces the chance of their movement. Stored materials should not obstruct aisles, stairs, exits, fire equipment, emergency eyewash fountains, emergency showers, or first aid stations. All storage areas should be clearly marked.

4.9.3. Flammable, combustible, toxic and other hazardous materials should be stored in approved containers in designated areas that are appropriate for the different hazards that they pose. Storage of materials should meet all requirements specified in the fire codes and the regulations of environmental and OSHA legislation.

5. COMMUNICATION

5.1. This policy will be explained as needed to workers through orientation health & safety training or task-specific training.

6. EVALUATION

6.1. This policy will be evaluated on an annual basis through the Continuous Improvement Plan.

Personal Information Protection Policy

Authority: Board of Directors	Date Ratified: November 29, 2019
	Next Review Date: November, 2022
Previous Amendments: January 4, 2011	

PURPOSE:

The primary objective of this policy is to establish the USC's compliance with the Personal Information Protection and Electronic Documents Act, which lists ten principles for personal information protection.

1. SCOPE

1.1. This Policy affects any USC employee, volunteer, and elected official who acquires or seeks to acquire a record of personal information about any other person while acting in their USC role.

1.1.1. For the purposes of this Policy, "personal information" is defined as any information about an identifiable individual, excluding the name, title or business address or telephone number of an employee of an organization.

1.1.2. A "record" includes any correspondence, memorandum, book, plan, map, drawing, diagram, pictorial or graphic work, photograph, film, microform, sound recording, videotape, machine-readable record and any other documentary material, regardless of physical form or characteristics, and any copy of any of those things.

1.1.3. "Privacy Administrator" shall be the individual within the Corporation responsible for the administration of this policy. The administrator shall be the Government Services Officer.

1.1.4. A "USC affiliated fundraiser" is any charitable organization recognized by the Canada Revenue Agency, and is affiliated with a USC ratified club or USC service, program or event.

1.2. This Policy does not affect:

1.2.1. Personal information collected, used, or disclosed by an individual for personal or domestic purposes, and not for any other any other purpose; or,

1.2.2. Personal information collected, used or disclosed by the USC for journalistic, artistic or literary purposes and not for any other purpose.

2. INSTANCES IN WHICH PERSONAL INFORMATION MAY BE COLLECTED

- 2.1. Personal information may only be collected from an individual if there is a meaningful purpose for such collection that is relevant to the functioning of the USC.
 - 2.1.1. Information needed from some members of a group shall not arbitrarily be requested from all members of the group.
 - 2.1.2. The USC shall never request or otherwise compel any Student, employee, volunteer, or elected official to identify their sexual orientation.
 1. Notwithstanding the above, information about sexual orientation may be collected where the anonymity of individuals is assured.
- 2.2. Whenever personal information is collected, the intended-use(s) of that information must be disclosed, and the individual must provide consent for the information to be used for that purpose.
 - 2.2.1. Utilization of collected information for a substantially different purpose requires that consent again be obtained.
 - 2.2.2. Consent may be express or implicit, and written or verbal, depending on the circumstance. The collection or utilization of personal information that is of a highly sensitive nature (e.g. medical records) requires express written consent.
- 2.3. Instances where the collection of personal information are recognized as valid include:
 - 2.3.1. collection of an individual's personal contact information (email address, phone number, and/or mailing address) in instances where the individual does not have equivalent business contact information, and there is a reasonable likelihood of contacting the individual in the future for business purposes;
 - 2.3.2. requesting a resume and personal statement (i.e. cover letter) from individuals seeking a position within the USC;
 - 2.3.3. collecting emergency contact information;
 - 2.3.4. collecting information required for insurance purposes; and,
 - 2.3.5. collecting information about an individual's future availability, for the purposes of scheduling a business meeting or activity.
 1. Requests about the specific activities that affect an individual's availability (such as a student's course schedule) are not usually necessary, and shouldn't be requested unless the specific circumstances require it.

3. STORAGE & SECURITY OF COLLECTED PERSONAL INFORMATION

- 3.1. Records of personal information may exist in a variety of mediums, each with its own security considerations.

3.2. Records stored on a Computer

3.2.1. Computer files must be secured in accordance with the Information Technology Security Policies and Procedures.

3.3. Records not stored on computers

3.3.1. All personal records not stored on computers must be filed in a room that is always either locked, or under the supervision of a USC employee.

1. The distribution of keys shall be limited to the original recipient of the personal information held in the room, USC administrative staff who have been trained by the Privacy Administrator.

2. Any USC employee supervising a room holding personal information records must be trained by the Privacy Administrator.

3.3.2. Any information that is particularly sensitive (such as salary records and other human resources documentation) must be exclusively accessible only to individuals who have been given consent to see the information. An additional security measure must be in place for such information, which may include:

1. locking the records inside of a drawer or filing cabinet inside of a room that is locked or supervised as described above; or,

2. maintaining a records storage room that only the Privacy Administrator, and trained designates of the Privacy Administrator have the ability to access.

4. USE OR DISCLOSURE OF INFORMATION

4.1. Personal information may never be used or disclosed without consent.

4.1.1. Consent for the disclosure or use of personal information should be obtained during the collection of the information, as described above in Section 2.02. However, sometimes consent may be required after the collection of the information, as might occur if the USC wishes to use information for a purpose substantially different than the one for which it was originally collected.

4.2. Emails sent by an individual are considered as a type of personal information about that individual. The disclosure of emails to individuals other than the recipient must be limited, and purposeful.

4.2.1. Express consent is required to disclose an email that is of a highly personal nature.

4.2.2. Implicit consent for disclosure may be present where an email is not clearly directed at any one individual, or where the email has been sent to a large number of people.

- 4.2.3. Under normal circumstances, emails sent to a USC business email account are interpreted as being directed at the position-holder. There is implied consent for any individual holding that position in the future to view the email.
- 4.3. Even where consent exists, it is strongly discouraged for employees, volunteers, and elected officials to use or disclose personal information without meaningful purpose.
 - 4.3.1. For instance, a commissioner may consent to providing their personal contact information to future commissioners of the USC. However, it would still be considered inappropriate to include their email address in the manual of every future USC commissioner, since the majority of them would have no use for the information.
- 4.4. USC affiliated fundraisers may collect student information beyond name and e-mail address.
 - 4.4.1. The fundraiser must provide written agreement that they will adhere to the USC Personal Information Protection Policy.
- 4.5. If ever it is necessary for a 3rd party to process personal information, such as in the case of an administrative officer who assists with record keeping, or in the case of a company contracted to provide a service requiring access to certain personal data (e.g. a survey):
 - 4.5.1. the 3rd party shall be required to agree to a confidentiality clause that protects the personal information from being further distributed; and,
 - 4.5.2. whenever practical, steps shall be taken to increase the anonymity of data being processed.

5. DESTRUCTION OF RECORDS

- 5.1. Except where otherwise required by law, records of personal information that are no longer of use or benefit to the USC must be destroyed within sixty (60) calendar-days of the expiration of their usefulness.
 - 5.1.1. This includes, for instance, the resumes and cover-letters of individuals applying for USC positions after the selection process has concluded.
 - 5.1.2. With consent, the personal information may be kept on record for a longer period of time.
- 5.2. Information which is intrinsically valuable as a historical record, but which is embedded with personal information, may be kept indefinitely.
 - 5.2.1. If it is practical, the personal information should be excised, or made anonymous.
 - 5.2.2. Historical records of this nature shall be treated as confidential.
- 5.3. Paper files that are destroyed must be shredded.

5.4. Digital files to be destroyed must be permanently deleted. Any copies of the original file on other devices must also be deleted.

6. DOCUMENTATION

6.1. Anytime an individual provides consent for the collection, use, and/or disclosure of their personal information for a specific purpose, the nature and extent of their consent must be documented.

6.1.1. Documentation may be digital or physical, but must be retrievable by the Privacy Administrator.

6.2. Documentation regarding consent must be maintained for at least as long as the personal information collected is being used or kept on file. After a record of personal information has been destroyed in accordance this policy, the records of consent must be maintained for at least six (6) months.

7. RIGHTS OF INDIVIDUALS

7.1. Any individual may request to know what personal information records the USC has on file about them, and may:

7.1.1. request to see the record(s);

7.1.2. request a correction a record to ensure its accuracy;

7.1.3. withdraw consent and request that the record be destroyed.

7.2. Excepting extreme or unusual circumstances, the USC commits to responding to requests within thirty (30) calendar-days.

7.3. Additionally, any individual may file a complaint about the USC's personal information protection. Such complaints may be directed to the USC Privacy Administrator, or the Canadian Privacy Commissioner.

8. PROCEDURAL AUTHORITY

8.1. Further procedures necessary for the effective and efficient implementation of this policy shall be established and amended as necessary.

8.1.1. The scope of such Procedures is limited to the scope of this policy.

8.1.2. In the event of any conflict, this Policy supersedes any Procedures created under it.

Student Awards Rules of Procedure

Authority: USC President	Date Ratified: February 12, 2018
	Next Review Date: February, 2023
Previous Amendments: N/A	

PREAMBLE

The University Students' Council aims to reward those students who have put forth exemplary volunteer or community effort in the form of USC sponsored awards.

Award winners are regarded as role models and leaders, so it is important that the award selection process recognize the achievements of a diverse group that reflects a breadth of excellence. Diversity in award recognition gives visible evidence of the USC's commitment to equity.

1. THE AWARDS COMMITTEE

1.1. The Awards Committee

- 1.1.1. The Student Recognition Coordinator will assemble a committee to assist in the process of determining the recipients of the USC Student Awards.
- 1.1.2. The committee shall consist of the USC President, Two (2) USC Councilors, Two (2) Students-At-Large (Undergraduate) and the Student Recognition Coordinator (non-voting).
- 1.1.3. Appoint diverse selection committees and committee chairs. Diverse committees provide access to a wider set of networks from which to cultivate nominations, and several recent studies have shown that more diverse groups with a greater breadth of perspectives make better decisions.
 1. Committee members and chairs from underrepresented groups may cushion against unintentional stereotyping. Do not expect committee members from under-represented groups to advocate for diversity - it is everyone's responsibility.
- 1.1.4. The committee shall be responsible for reviewing all applications, and participating in all deliberations as directed by the Student Recognition Coordinator and/or their representative.
- 1.1.5. The Student Recognition Coordinator and/or their representative will provide committee members with suitable training prior to reviewing the applications and decision-making.

1.2. Confidentiality

- 1.2.1. Committee members may speak only to the information contained in the Award application package.
- 1.2.2. Committee members should restrict their discussion of selection proceedings to third parties. Although transparency is valued, a modest explanation of the process is preferred.

1.3. Restrictions

- 1.3.1. Committee Members are prohibited from:
 1. submitting nominations or writing supporting letters for an award they will be reviewing;
 2. from receiving an award they will be reviewing; and
 3. evaluating or voting for applicants with whom they share a conflict of interest

1.4. Conflicts of Interest

- 1.4.1. At the beginning of the application evaluation, committee members should make clear any connection they may have with a person under consideration for an award, and come to a decision that is agreeable with other committee members with respect to their participation in further discussions. Committee Members are not eligible to evaluate or vote on a nominee if there is a conflict of interest such as:
 1. Being a member of the same portfolio as the nominee
 2. Having been or being a supervisor or student of the nominee
 3. Other conflicts as determined by the Student Recognition Coordinator and VR Manager

2. APPLICATIONS & NOMINATIONS

2.1. Before receipt

- 2.1.1. Applicants must be full-time undergraduate students at Western University.
- 2.1.2. Applications must be submitted in hard-copy or online by mid-February.
- 2.1.3. The application period shall be open for a minimum of two weeks.
- 2.1.4. Applications shall be available online via the USC website.
- 2.1.5. Applications should be submitted to the USC Office (UCC 340)
- 2.1.6. An individual may apply for more than one award.
- 2.1.7. An individual may not receive more than one award in a year, nor may an individual

receive more than one award for the same body of work (i.e. in future years).

2.2. After Receipt

2.2.1. Only complete applications and nominations will be considered by the committee.

1. Incomplete applications and nominations will not be eligible.
2. Excessive documentation will not be distributed to the selection committee.

2.2.2. It is prudent for the VR Intern to digitalize all eligible candidate's names and emails for notification purposes.

3. INITIAL DELIBERATION

3.1. Initial Deliberation

3.1.1. Initial deliberation shall be held following the application deadline and the compilation of all eligible applications submitted.

3.1.2. Initial deliberation is not required if there are ≤ 10 applicants for any one award. In this event, proceed to the final deliberation

3.1.3. The initial deliberation shall produce strong applications

3.1.4. Committee members are restricted from evaluating applicants with whom they share a conflict of interest, if they do not feel can do so objectively.

1. In this case, the rating average from the other members will be adopted as their contribution

3.2. Application distribution

3.2.1. Each committee member will create a list of top applicants/nominees before hearing the recommendations of any other members. This avoids the undue influence of one member and ensures that the list of viable nominees is as large as possible before discussion begins.

3.2.2. If there are < 30 applications for one award, each member will receive all applications (e.g., 25 Honour W applications \rightarrow all members will evaluate 25 applications).

3.2.3. If there are ≥ 30 applications for one award, each member will receive half of the applications (e.g., 30 Honour W applications \rightarrow three members will each evaluate 15 applications; three members will each evaluate the other 15).

3.2.4. If there are > 50 applications for one award, each member will receive a third of the applications (e.g., 51 Honour W applications \rightarrow two members will evaluate 17 applications; two members will evaluate another 17 and the last two members will receive 17 applications)

3.2.5. Each application must be read by at least two members

3.2.6. Members may bring the applications home for evaluation

3.3. Screening

3.3.1. The Student Recognition Coordinator and/or representative shall explain the screening process and rating criteria to the committee in an explicit and thorough manner, prior to the start of deliberations.

3.3.2. Each committee member will create a list of top applicants/nominees before hearing the recommendations of any other members.

1. This avoids implicit bias that can enter via unintentional "criteria-shifting" after nominees are discussed.

3.3.3. Award criteria will be marked qualitatively (i.e. strong or weak)

3.3.4. Applications will be ranked from strong-weak, and short-listed

1. All strong applications will be short-listed for final deliberations
2. If less than 10 strong applications exist, others may be accepted for a total of 10 applications in the final deliberation (e.g. 5 consistently strong applications and 5 applications with both strong and weak components)

3.3.5. The committee will then compare short-lists for each award, and create a comprehensive list for final deliberation

4. FINAL DELIBERATION

4.1. Final Deliberation

4.1.1. Final deliberations shall be held in early March following the conclusion of initial deliberations.

4.1.2. The final deliberation shall produce nine (9) Award winners.

4.1.3. Committee members are restricted from evaluating applicants with whom they share a conflict of interest, if they do not feel can do so objectively.

1. In this case, the rating average from the other members will be adopted as their contribution

4.2. Application distribution

4.2.1. If there are ≤ 15 applications for one award, each member will evaluate all applications (e.g., 15 Honour W applications \rightarrow all members will evaluate 15 applications).

4.2.2. If there are ≥ 16 applications for one award, each member will evaluate half of the

applications (e.g., three members will each evaluate 8 applications; three members will each evaluate the other 8 applications).

4.2.3. Each application must be read by at least two members

4.2.4. Members may bring the applications home for evaluation

4.3. Screening

4.3.1. Verifiers will be contacted to speak on behalf of the nominee/applicant's:

1. Student government involvement
2. Athletics
3. Music, dance or fine arts
4. Philanthropy
5. Leadership
6. Proficiency in sport

4.3.2. Each committee member will verify the accomplishments and claims of 20% of the total number of candidates

4.3.3. The Student Recognition Coordinator and/or representative shall explain the screening process and rating criteria to the committee in an explicit and thorough manner, prior to the start of deliberations.

4.3.4. Each committee member will create a list of top applicants/nominees before hearing the recommendations of any other members.

1. This avoids implicit bias that can enter via unintentional "criteria-shifting" after nominees are discussed.

4.3.5. Applications will be scored quantitatively based on the strength of each award criteria using a matrix specific to the published criteria of each award.

4.3.6. The committee members will then compare and average the scores of each applicant.

1. Applications with significantly divergent scores will be identified and discussed.
2. Winners may be chosen based on who has the highest average score
3. Create short(er) lists via inclusive rather than exclusive methods. For instance, select candidates that are outstanding, rather than finding reasons to eliminate candidates from consideration.

4. Ensure that every committee member's voice is heard. Do not let any committee members remain silent.
 5. Take adequate time to make a decision. Research has shown implicit bias is mitigated when committees have time for thoughtful reflection and discussion, instead of making snap judgments.
- 4.3.7. The methods used to further narrow down winners are at the discretion of the committee
1. When voting is required, the committee should consider whether a rank-order vote or majority vote may be employed.
- 4.3.8. Committee Members are not eligible to vote on a candidate with whom they share a conflict of interest, if they do not feel can do so objectively.
1. In this case, the rating average from the other members will be adopted as their contribution

5. DISTRIBUTION OF AWARDS

5.1. Distribution Of Awards

- 5.1.1. Once the nine (9) recipients are decided, it is the Student Recognition Coordinator or their representative's responsibility to contact the individual by telephone to congratulate them.
1. At this time, they must also confirm the recipient's email and student number
 2. They may also inform them of an email request to take a photo for the Awards presentation
 3. If applicable, let the recipient know that their check will be available on the day of the ceremony
- 5.1.2. The Western Alumni Association is responsible for sending invitations to the recipients
- 5.1.3. The Student Recognition Coordinator is responsible for emailing the candidates who were not chosen.
- 5.1.4. The Student Recognition Coordinator is responsible for drafting the summary of each winner's accomplishments; they are to be read at the ceremony. These must also be forwarded to the Alumni Association
- 5.1.5. All awards shall be given out at the annual USC Awards Ceremony in late March. This Ceremony is held in conjunction with the Awards of Excellence in Undergraduate Teaching.

- 5.1.6. The VR Department, in conjunction with the Vice-President Finance, shall coordinate the distribution of the monetary awards through the USC Finance department.
- 5.1.7. The Student Recognition Coordinator is responsible for printing and framing award certificates; these must be signed by the USC President
- 5.1.8. The Student Recognition Coordinator is responsible for engraving the award recipient's names on the trophies/plaques in the USC display case.

6. MARKETING

6.1. Marketing

- 6.1.1. The Student Recognition Coordinator shall be responsible for coordinating advertising for the applications
- 6.1.2. Applications shall be advertised in print, online, and through WesternTV and Western Film.
- 6.1.3. Main campus, affiliate colleges and student-residences should also be considered for outreach
- 6.1.4. Any other promotions methods shall be at the discretion of the Student Recognition Coordinator and the committee
- 6.1.5. Increasing awareness of the award among all USC members has the benefit of increasing interest in the award and making the selection process more transparent and inclusive.
 - 1. Generate a large and diverse pool of nominees. Awards are selected based on established criteria, so this step is crucial to ensuring that the pool of nominees contains as many eligible candidates as possible (especially those whose work is outstanding but less well-known).
- 6.1.6. Once awards have been distributed, an announcement of award should be sent to The Gazette and to any other publications appropriate to the particular awardee (e.g. Inform Western Mustangs of the Student-Athlete awardee)

Clubs Governance Board Terms of Reference

1. To create a community that supports leadership development among students and welcomes the wide range of interests within the Clubs Community. To adhere to all the

documents of the Clubs Policy to determine reasonable limits placed on student organizations in order to comply with USC policy as well as University policy.

2. To set strategic, long-term goals for the Clubs Community for future growth and development of clubs and their student leaders.

Proposed Mandate

Each year, the CGB receives approximately 85+ new club applications. The CGB recognizes a potential shortage of resources and space on campus if a sizable number of clubs is added to the already 200+ clubs that are currently ratified with the USC. The CGB looks forward in decision-making processes to ensure that the future of the clubs department is stable and must enact particular guidelines in reviewing club applications that limits the number of clubs that are accepted each year. A rapid increase in the number of new clubs can create dilution in club memberships for all clubs and an inability to host a functioning clubs week in the space provided. The CGB will continue to use its discretion with regards to the ratification procedure and will adhere to the guidelines that are used and outlined each year. The CGB however would like to highlight some potential club purposes that have a low likelihood of ratification due to discretionary use of policy. This mandate's scope will speak to purpose and mandate of a new club application, and not specific club events.

The CGB will continue to use its discretion in new club applications and does not limit itself to these subjects as potential reasons for denial. The CGB wishes to be honest and as open as possible with all students.
