

## **USC Income Tax 2022-2023 Committee Application**

### **Executive Committee Goals**

The Income Tax Executive Committee is responsible for the logistics, promotion, management, and volunteer training of the annual USC Income Tax Clinic and campus-wide financial literacy initiatives.

### **About USC Income Tax**

#### **Mission statement:**

The USC Income Tax portfolio emphasizes personal financial services and education for students by students.

#### **What we do:**

Our principal resource is the free Clinic offered each year in March that provides students, in addition to eligible residents of the London community, with income tax filing services. To run the Clinic, we typically hire 150 volunteers that serve as tax analysts during the Clinic. This provides accounting and finance-oriented students the premier opportunity to work with taxation on a professional level, learn Canadian tax practices, and build their career network. In addition, we also promote and teach financial literacy on campus through other events, tax training sessions, and year-round online resources.

We actively hold partnerships with numerous other organizations and clubs on campus, such as CPA Ontario, the Society of Graduate Students (SOGS), and the CRA.

Applications are due **Monday, October 24th, 2020 at 11:59 pm**. If you have any questions or concerns, please do not hesitate to contact Cathy Hu, the Income Tax Coordinator at [incometax@westernusc.ca](mailto:incometax@westernusc.ca).
