Motion 1

Motion Regarding Changes to the Council Composition Procedure

Whereas, Council elections policy and procedures rely on the records of the University to decide voter and candidate eligibility; and,

Whereas, BMSc students are considered by the university to be Medicine students and therefore ineligible to vote or run in the Faculty of Science; and,

Whereas, this leaves those students without representation at the USC,

Be it resolved, that Council approve an amendment to the Council Composition Procedure to specify that, for the purposes of elections to USC positions, both undergraduate Neuroscience and undergraduate Medical Science students are to be included in the Faculty of Science.

GARDNER/Kitamisi/passes (unanimous)
