University Students' Council of the University of Western Ontario

Motion 6

Executive Reports

Be it resolved that Council accept the executive reports for January 2024.

AJAK/Liakakos

Motion 7

University Affairs 2023-2024 Budget Submission

Whereas each year, the University Affairs Portfolio is responsible for the USC's Budget Submission to the university;

Whereas the Budget Submission should be reflective of the needs of the student body;

Whereas the Vice President University Affairs has identified recommendations related to has identified **Mental Health, Gender Equity, and Racial Equity** as crucial themes in our advocacy this year;

Be it Resolved that Council endorse the University Affairs Budget Submission

S. LIAKAKOS/Flaherty

Motion 8

Approval of Changing Experiential Learning to Work integrated Learning Policy Paper

Whereas Western USC has a well-written experiential learning paper that advocates for increasing experiential learning opportunities for students at Western and expanding these opportunities across all programs.

Whereas the current paper defines experiential learning as an umbrella term for Work-Integrated Learning (WIL), Community Engaged Learning (CEL), and Career-Integrated Learning (CIL), we hope to rebrand the paper to specifically focus on Work-Integrated Learning (WIL).

Whereas CEL and CIL are both integrated within the syllabi of courses, WIL is taken beyond course-work and is implemented through co-ops, internships, and practicums. Students must go through the application and interview process to acquire WIL opportunities, similar to what they will face post-graduation.

Whereas CEL and CIL are seen in many programs at Western, WIL can be further expanded upon.

Be it resolved that Council allow our current Experiential Learning Paper to be rebranded to a Work-Integrated Learning paper.

LIAKAKOS/MacDonald

University Students' Council of the University of Western Ontario

Motion 9

Motion Regarding Ratification of Board Amendment to Bylaw 1

Be it resolved that Council ratify the amendments to Bylaw 1 that were approved by the Board of Directors on January 12, 2024.

AJAK/Sasu

Motion 10

Motion Regarding Amending the Vice-President Communications and Public Affairs Position

Whereas the VP Communications and Public Affairs title and role are not clearly connected to the USC's Strategic Plan; and,

Whereas the role of VP Communications and Public Affairs currently has a much smaller applicant pool than that of other Vice-President positions;

Be it resolved that the title be changed to Vice-President Student Engagement;

Be it further resolved that Bylaw 3 and the Executive Officers Terms of Reference be updated to include student engagement (as attached).

S.AJAK/Wang/passes (unanimous)

Motion 11

Motion to Ratify Municipal Advocacy Week Recommendations

Whereas the USC is an important stakeholder in municipal affairs.

Whereas the USC is advocating on a variety of issues on behalf of students at the municipal level through Municipal Advocacy Week

Be it resolved that Council ratify the following recommendations for Municipal Advocacy Week 2024:

1. The City of London should reconvene the Town and Gown committee to discuss municipal post-secondary issues
2. The City of London should coordinate with Western University to ensure effective snow removal around campus borders
3. The City of London should include student housing in its Housing Supply Action Plan
4. The City of London should include business case #P-25 (Proactive Municipal Compliance) in its 2024-2027 Multi-Year Budget
5. The City of London should include business case #P-51 (Transit Service Hours Growth) in its 2024-2027 Multi-Year Budget
6. The City of London should include business case #P-53 (Road Safety Enhancements) in its 2024-2027 Multi-Year Budget

S.AJAK/Kermack

Motion 12

Motion on Stance on Increasing University Operating Grants

Whereas Ontario ranks last in provincial funding for postsecondary institutions

Whereas this places financial constraints on university budgets, driving up tuition costs

Whereas the Blue-Ribbon Panel on Ensuring Financial Sustainability for the Postsecondary Sector has outlined several recommendations on improving financial sustainability, including increasing operating grants through weighted grant units.

Be it resolved that: Council approve the following policy stance: "The Ministry of Colleges and Universities should make a one-time 10% increase in the Weighted Grant Unit funding for postsecondary institutions, with subsequent increases each year equal to increases in CPI or 2%, whichever is greater, as recommended by the Blue-Ribbon Panel Report"

S.AJAK/Ayele

Motion 13

Motion to Expand Tuition Policy Paper Scope

Whereas the USC currently has no stances on university revenue sources outside of tuition

Whereas provincial operating grants are the other major source of funding for universities, and have not been increased since 2008

Whereas this has left universities at a crisis point for funding and has increased discussions of lifting the tuition freeze on domestic tuition and increasing tuition costs

Be it resolved that Council approve the expansion and renaming of the "Tuition Policy Paper" to the "Tuition and Sector Sustainability Policy Paper"
